**Department of Conservation and Recreation**  
**Grant Agreement**  
**Water Quality Improvement Fund**  
**WQIA-93934-2006-##**

This Grant Agreement (hereinafter referenced as "Agreement") is made, by and between the Commonwealth of Virginia, Department of Conservation and Recreation, hereinafter called "DCR," and [REDACTED], hereinafter called the "Grantee."

Pursuant to the Virginia Water Quality Improvement Act of 1997, the Virginia General Assembly created the Water Quality Improvement Fund to provide funding for point and nonpoint source water quality improvements throughout the Commonwealth. This Agreement is a sub-grant award, from DCR to the Grantee, of said state grant funds. The parties to this Agreement, in consideration of the mutual covenants and stipulations set out herein, agree as follows:

(1) GENERAL PROVISIONS: Grantee shall carry out the project as set forth in the Agreement documents. The Agreement documents shall consist of this signed Grant Agreement and:

- (1) Attachment A - Scope of Work
- (2) Attachment B - Project Financial Report Form
- (3) Attachment C - Milestone Table
- (4) Attachment D - NPS Pollution Tracking Data Form for BMPs
- (5) Attachment E – Commonwealth of Virginia, Terms and Conditions

Nothing in this Agreement shall be construed as authority for either party to make commitments that will bind the other party beyond the Scope of Service, contained herein. Furthermore, the Grantee shall not assign, sublet or subcontract any work related to this Agreement, or any interest it may have herein, to any parties not approved by DCR, as noted in these Agreement documents. The details and schedule of service set forth in the Scope of Work and Milestone Table are deemed to have been consensual upon the execution of this Agreement.

(2) TIME OF PERFORMANCE: Upon signature by the Grantee and the director of DCR, the services of the Grantee shall be for the period from, Month 00, 0000 through Month 00, 0000, unless otherwise altered through provisions of this Agreement or extended by written authorization of DCR. All time limits stated are essential to this Agreement. Every effort must be made to complete the work on time. All project expenses and match funds must be completed during the time of performance.

(3) COMPENSATION: The total grant award from DCR is \$                     . DCR shall release the grant award to the Grantee on a cost-reimbursement basis upon receipt and approval of the Grantee's quarterly reports, as required by this Agreement, or at other times agreed to by DCR. DCR is under no obligation to reimburse work performed prior to the commencement or after the expiration of the contracted time of performance. DCR reserves the right to withhold a minimum of 15% of the Grantee's total grant allocation until the final grant report and all services, reports and deliverables are received and approved by DCR. Acceptance of work completed under this Agreement shall be decided at the sole discretion of DCR and shall be final.

The Grantee shall spend the funds according to the specified categories of the Agreement budget. Minor shifts of the funds among categories by the Grantee, not to exceed 10% of any budget line item are permissible. Shifts in funds exceeding 10% of budget line items must be approved in writing by DCR. Any cost overruns incurred by the Grantee during the time of performance shall be the responsibility of the Grantee.

(4) **MATCHING FUNDS:** If this Agreement is contingent upon cash and in-kind contributions by the Grantee to the project, the required amount of matching funds will be indicated on the Project Financial Report Form, Attachment B, of these agreement documents. Matching contributions, if applicable, must reflect expenses directly related to the implementation of this project and incurred only during the time of performance listed in this Agreement. The decision of DCR with respect to approval of matching funds shall be final. Matching funds must be tracked and reported to DCR in the quarterly and final reports described below, both in narrative summary and on Attachment B.

(5) **SCOPE OF SERVICE:** The Grantee shall provide the services to DCR set forth in the Agreement documents and, specifically, as defined in the Scope of Work. All deliverables shall conform to accepted standards and practices. The Grantee shall provide DCR with quarterly reports and a final report, in narrative and financial report form, detailing the progress of work set forth in the Agreement documents. Incomplete or inaccurate reports may result in reimbursement delays. These reports shall be certified by an authorized agent of the Grantee as being true and accurate to the best of the Grantee's knowledge, as indicated by their signature on Attachment B. Each *quarterly report*, due by the 15 day following the end of the quarter, shall contain:

- (1) **A narrative** – Describe the progress in fulfilling the Scope of Work and activities for each deliverable listed in the Milestone Table. Provide both accomplishments and challenges, and a financial narrative with itemized details of expenditures.
- (2) **An updated Project Financial Report Form (Attachment B)** - On Attachment B, summarize expenses incurred in the columns under “DCR Funds” and Grantee contributions under “Match Funds.” This form also serves as the reimbursement request, or invoice, for the Grantee, therefore, only copies with the original authorized signature will be accepted by DCR.
- (3) **An updated Milestone Table (Attachment C)** – Enter “Actual Completion Date” for specific tasks on the table and provide relevant notes.
- (4) **NPS Pollution Tracking Data Form for BMPs (Attachment D)** – Enter data for best management practices installed and completed, if applicable.

The *final report*, due 45 days after the Agreement terminates, shall summarize all major project accomplishments and challenges, as well as expenditures and matching contributions during the period after the project began through the termination date. Photographs taken before, during and after project implementation should be included in the final report. The final reimbursement request must be submitted with the final report.

(6) **ASSISTANCE:** DCR agrees, upon request of the Grantee, to furnish, or otherwise make available to the Grantee, copies of existing non-proprietary materials in the possession of DCR that are reasonably associated with this project. This includes materials that are necessary to the Grantee for completion of its performance under this agreement.

(7) FINANCIAL RECORDS AVAILABILITY: The Grantee agrees to retain all books, records and other documents relative to this agreement for five years after final payment. DCR, its authorized agents, and/or state auditors shall have full access to, and the right to examine any of, said materials during said period.

(8) CREATION OF INTELLECTUAL PROPERTY: All intellectual property including copyrightable material created pursuant to this contract shall be considered work made for hire and shall belong exclusively to the Commonwealth of Virginia. Neither party intends any copyrightable material created pursuant to this contract, together with any other copyrightable material with which it may be combined or used, to be a "joint work" under the copyright laws. If any copyrightable material created pursuant to this contract cannot be deemed work made for hire or is deemed part of a joint work, the Grantee does hereby irrevocably assign its entire copyright interest in such material or work to the Commonwealth of Virginia and shall execute and deliver such further documents as the Commonwealth may reasonably request for the purpose of acknowledging or implementing such assignment. DCR hereby grants to the Grantee a license to use the materials, so owned, for public, not-for-profit purpose within the territory of the Commonwealth.

A copyright notice shall be placed in an appropriate location on any copyrightable material being distributed or published. Such notice shall include (1) either the symbol "©", the word "Copyright" or the abbreviation "Copr." (2) the year of first publication, and (3) the name of the copyright owner (the Commonwealth of Virginia). This information shall be followed by the words, "all rights reserved."

(9) DOCUMENTS: The Grantee may retain any reports, studies, photographs, negatives or other documents prepared in the performance of their obligations under this Agreement and not required to be delivered to DCR. DCR shall have certain rights to use any such materials as specified above. Where necessary for DCR's enjoyment of its rights and other rights referenced in this Agreement, the Grantee shall provide a clear, reproducible copy of such materials (machine readable upon request, if readily available to the Grantee in such form) to DCR.

(10) TERMINATION AND BREACH: Either party may terminate this agreement upon thirty days written notice to the other party. DCR may terminate this Agreement for any reason necessary to support its current policy and financial status, including the need to redirect funds to another program. It is understood and agreed between the parties, herein, that DCR shall be bound, hereunder, only to the extent of the funds available or which may hereafter become available for the purpose of this Agreement.

In the event of breach by the Grantee of this Agreement, DCR shall provide written notice to the Grantee specifying the manner in which the Agreement has been breached. If a notice of breach is given and the Grantee has not substantially corrected the breach within 60 days of receipt of the written notice, DCR shall have the right to terminate the Agreement. The grantee shall not be paid for services rendered nor expenses incurred after receipt of the notice of termination, except such fees and expenses incurred prior to the effective date of termination as are necessary for curtailment of its work under this Agreement.

(11) QUALITY ASSURANCE/QUALITY CONTROL PROJECT PLANS: Within 60 days of the effective date of this Agreement and if required in Attachment A of this Agreement, the Grantee will submit to DCR, for review and approval, a Quality Assurance/Quality Control Project Plan. No water quality monitoring activities shall be initiated until the Quality Assurance/Quality Control Project Plan has been approved by DCR. The Grantee shall implement the approved Quality Assurance/Quality Control Project Plan in performing environmental monitoring activities.

(12) REPORTING AND TRACKING INFORMATION MANAGEMENT SYSTEMS: In accepting these funds, the Grantee agrees to the sharing of all deliverables and related information through state and/or federal channels (including Internet use) and, wherever possible, to provide DCR with deliverables in a format that can be made available to the public.

(13) OPERATION AND MAINTENANCE: Within sixty (60) days of the effective date of this Agreement, the Grantee will submit to DCR, for review and approval, an Operation and Maintenance Plan for the project. The Grantee will operate and maintain the project, or secure the operation and maintenance of the project through landowner agreements, in a manner consistent with the plan as approved by DCR. In the event that the Grantee fails to comply with the preceding sentence, DCR shall give written notice specifying the failure to comply and shall give the Grantee the time to correct such failure as provided for herein with respect to a breach of this Agreement.

(14) ENFORCEMENT: For nonpoint source Best Management Practice installations funded through this Agreement, within ninety (90) days of receipt of written demand from DCR, the Grantee shall repay an amount, on a straight line pro-rated basis, of the WQIA funds used for the installation, for noncompliance with Section (14) OPERATION AND MAINTENANCE, unless the Grantee asserts a defense afforded it under this Agreement.

Within sixty (60) days of receipt of written demand from DCR, the Grantee shall pay a stipulated penalty in the amount of \$1,000 or 15%, whichever is greater, of the total award for any of the conditions as set forth in this Agreement, including failure to meet the final deadline or noncompliance with the Scope of Services, Attachment A, unless the Grantee asserts a defense afforded it under this Agreement.

Repayments and stipulated penalties will be paid into the State Treasury and credited to the Fund. The Grantee's right to collect repayments and stipulated penalties does not affect in any way DCR's right to secure specific performance of the Agreement using such other legal remedies as may otherwise be available.

(15) INTEGRATION AND MODIFICATION: The *Virginia Water Quality Improvement Fund (WQIF) Guidelines for FY2006*; and the *WQIF Request for Grant Applications, Application Form with supporting documents* agreed to by the Grantee and DCR are hereby incorporated into this grant agreement by reference. To the extent there are inconsistencies between the grant agreement and the Application Form and its supporting documents, this agreement and its Attachment A shall control. This agreement constitutes the entire Agreement between DCR and the Grantee. No alteration, amendment, or modifications in the provisions of this Agreement shall be effective unless it is reduced to writing and agreed to by the parties and attached hereto.

(16) **ACKNOWLEDGMENTS:** The role of DCR must be clearly stated in all press releases, news articles, requests for proposals, bid solicitations and other documents describing this project, whether funded in whole or in part. Acknowledgment of financial assistance, with the DCR logo, must be printed on the cover of all reports, studies, web sites, map products or other products supported by this award or any sub-award. The grantee is responsible for contacting DCR staff in adequate time to obtain the logo in camera-ready or digital form.
